Annual Report

Town of

Kingston, New Hampshire

1992

IN MEMORIAM

DONALD E. DAY
1916 - 1992
BALLOT CLERK FOR MANY YEARS

ROLAND V. OSBORNE
1925 - 1992
MEMBER OF KINGSTON FIRE DEPT.

DEDICATION OF 1992 ANNUAL REPORT

The 1992 Annual Town Report is gratefully dedicated to all Town Volunteers who serve our community. These devoted men and women contribute countless hours serving on Town Boards, Commissions, various Committees and Organizations.

With their assorted interests, abilities and talents, these people are the mainstay of our Town. Their services provided free of charge to the Town cannot be calculated monetarily.

It is with great pride and gratitude that we recognize these many individuals and extend our sincere appreciation. They are truly an integral element in Kingston's present and future.

TOWN OF KINGSTON, N. H.
MINUTES OF TOWN MEETING - MARCH 10, 1992

ARTICLE 1 - The Annual Town Meeting was called to order at 10 A.M. by the Moderator, James T. Rankin, Sr. for the balloting for Town Officers, Officers of the Sanborn Regional School District and 7 Zoning Questions. The Moderator announced that the absentee ballots would be processed at 1:30 P.M. It was voted that at the close of voting at 8 P.M. and after the ballots have been counted, the meeting would be continued at 7 P.M. on Wednesday at the Swasey Gymnasium, to take up the remaining articles in the Warrant.

The Town Clerk, Bettie C. Ouellette, broke the seals on the boxes of ballots, and the Moderator inspected the ballot boxes. The Ballot Clerks were Donna M. Grier, Carolyn R. Christie, Holly Ouellette, Eleanor L. Childs and Charles A. Bradley, Jr. Lawrence H. Rich was in charge of the microphone. Selectman Stamatios Yiokarinis was present. The additional counters at night were Marilyn B. Bartlett, David G. Conant, Carolyn D. Harlow, Judith C. Smith, Edward W. Jervis, Jr., Norma B. Jervis, Norma M. Quintal, Sheila J. Whittier, Donald J. Eadie, Donna L. Snow, Brian D. Collins, George H. Harmon, Olive F. Moriarty, Linda M. Nadeau, Mary L. Mercurio, Elaine A. Van Dyke, Deborah J. Nowak, Ruth B. S. Albert, Gloria M. Parsons and Diane M Vaillant.

The following results of the balloting were announced by the Moderator:

Total cast 1939, including 130 absentee ballots. Total voters on the check list - 2896.

ARTICLE 5: Are you in favor of the adoption of Amendment No. 1 as proposed by the planning board for the Kingston Zoning Ordinance as follows: To insert as the final sentence in Section d., Septic System Design Installation under the Aquifer Protection Ordinance on page 39: In the case where a failed septic system located on an existing non-conforming lot of record must be replaced within the Aquifer Protection District, the Kingston Health Inspector shall be responsible for final approval of the location of the installation of the replacement system?

The Planning Board approves this amendment.

NOTE: This amendment will shorten the time needed to replace failed septic systems.

YES 1322 NO 439

ARTICLE 6: Are you in favor of the adoption of Amendment No. 2 as proposed by the planning board for the Kingston Zoning Ordinance as follows: To add to Article VI, Section 6.17 Building Location and Construction: In the case of failed septic systems located on existing non-conforming lots of record the health inspector will have the authority to approve the installation of replacement systems nearer than one hundred (100) feet to a water supply, well, stream, pond, marsh, swamp, wet meadow, wetlands or other body of water. In no instance shall such installation come closer to said water bodies than seventy-five (75) feet?

The Planning Board approves this amendment.

NOTE: This amendment will shorten the time needed to replace failed septic systems.

YES 1294 NO 449

ARTICLE 7: Are you in favor of the adoption of Amendment No. 3 as proposed by the planning board for the Kingston Zoning Ordinance as follows: To insert at Section D. Use Regulations as Paragraph 2 under Item 3 under the Shoreland Protection District on page 45: In the case where a failed septic system located on an existing non-conforming lot of record must be replaced within the Shoreland Protection District, the Kingston Health Inspector shall be responsible for final approval of the location of the installation of the replacement system?

The Planning Board approves this amendment.

NOTE: This amendment will shorten the time needed to replace failed septic systems.

YES 1326 NO 394

ARTICLE 8: Are you in favor of the adoption of Amendment No 4 as proposed by the planning board for the Kingston Zoning Ordinance as follows: To update the Flood Plain Ordinance as mandated by the Federal Emergency Management Agency (FEMA)?

The Planning Board approves this amendment.

NOTE: This amendment will allow Kingston to participate in the Federal Flood Insurance Program.

YES 1448 NO 278

Revised 10/23/91

Kingston Floodplain Development Ordinance

This ordinance, adopted pursuant to the authority of RSA 674:16, shall be known as the Town of Kingston Floodplain Development Ordinance. The regulations in this ordinance shall overlay and supplement the regulations in the Town of Kingston Zoning Ordinance, and shall be considered part of the Zoning Ordinance for purposes of administration and appeals under state law. If any provision of this ordinance differs or appears to conflict with any provision of the Zoning Ordinance or other ordinance or regulation, the provision imposing the greater restriction or more stringent standard shall be controlling.

The following regulations in this ordinance shall apply to all lands designated as special flood hazards areas by the Federal Emergency Management Agency (FEMA) in its "Flood Insurance Study for the Town of Kingston, N.H." together with the associated Flood Insurance Rate maps with an effective date of April 15, 1992, which are declared to be a part of this ordinance and are hereby incorporated by reference.

Item I Definition of Terms: The following definitions shall apply only to this Floodplain Development Ordinance, and shall not be affected by, the provisions of any other ordinance of the Town of Kingston.

"Area of Shallow Flooding" means a designated AO, AH, or VO zone on the Flood Insurance Rate Map (FIRM) with a one-percent or greater annual possibility of flooding to an average depth of one to three feet where a clearly defined channel does not exist, where the path of flooding is unpredictable and where velocity flow may be evident. Such flooding is characterized by ponding or sheet-flow.

"Area of Special Flood Hazard" is the land in the floodplain within the Town of Kingston subject to a one-percent or greater possibility of flooding in any given year. The area is designated as zone A on the FHBM and is designated on the FIRM as zones A and AE.

"Base Flood" means the flood having a one-percent possibility of being equalled or exceeded in any given year.

"Basement" means any area of a building having its floor subgrade on all sides.

"Building" see *"structure"*.

"Breakaway wall" means a wall that is not part of the structural support of the building and is intended through its design and construction to collapse under specific lateral loading forces without causing damage to the elevated portion of the building or supporting foundation.

"Development" means any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, mining dredging, filling, grading, paving, excavation, or drilling operation.

"FEMA" means the Federal Emergency Management Agency.

"Flood" or *"Flooding"* means a general and temporary condition of partial or complete inundation of normally dry land areas from:

(1) the overflow of inland or tidal waters.

(2) the unusual and rapid accumulation or runoff of surface waters from any source.

"Flood Elevation Study" means an examination, evaluation, and determination of flood hazards and if appropriate, corresponding water surface elevations, or an examination and determination of mudslide or flood - related erosion hazards.

"Flood Hazard Boundary Map" (FHBM) means an initial insurance map issued by FEMA that identifies, based on approximate analyses, areas of 100-year flood hazard within a community.

"Flood Insurance Rate Map" (FIRM) means an official many incorporated with this ordinance, on which FEMA has delineated both the special flood hazard areas and the risk premium zones applicable to the Town of Kingston.

"Flood Insurance Study" - see *"Flood elevation study"*.

"Floodplain" or *"Flood-prone area"* means any land area susceptible to being inundated by water from any source (see definition of "Flooding").

"Flood proofing" means any combination of structural and non-structural additions, changes, or adjustments to structures which reduce or eliminate flood damage to real estate or improved real property, water and sanitation facilities, structures and their contents.

"Floodway" - see *"Regulatory Floodway"*.

"Functionally dependent use" means a use which cannot perform its intended purpose unless it is located or carried out in close proximity to water. The term includes only docking and port facilities that are necessary for the loading/unloading of cargo or passengers, and ship building/repair facilities but does not include long-term storage or related manufacturing facilities.

"Highest adjacent grade" means the highest natural elevation of the ground surface prior to construction next to the proposed walls of a structure.

"Historic Structure" means any structure that is:

(a) Listed individually in the National Register of Historic Places (a listing maintained by the Department of Interior) or preliminarily determined by the Secretary of the Interior as meeting the requirements for individual listing on the National Register;

(b) Certified or preliminarily determined by the Secretary of the Interior as contributing to the historical significance of a registered historic district or a district preliminarily determined by the Secretary to qualify as a registered historic district;

(c) Individually listed on a state inventory of historic places in states with historic preservation programs which have been approved by the Secretary of the Interior; or

Individually listed on a local inventory of historic places in communities with historic preservation programs that have been certified either:

1) By an approved state program as determined by the Secretary of the Interior, or
2) Directly by the Secretary of the Interior in states without approved programs.

"Lowest Floor" means the lowest floor of the lowest enclosed area (including basement). An unfinished or flood resistant enclosure, usable solely for parking of vehicles, building access or storage in an area other than a basement area is not considered a building's lowest floor; provided, that such an enclosure is not built so as to render the structure in violation of the applicable non-elevation design requirements of this ordinance.

"Manufactured Home" means a structure, transportable in one or more sections, which is built on a permanent chassis and is designed for use with or without permanent foundation when connected to the required utilities. For floodplain management purposes the term "manufactured home" includes park trailers, travel trailers, and other similar vehicles placed on site for greater that 180 days.

"Mean sea level" means the National Geodetic Vertical Datum (NGVD) of 1929 or other datum, to which base flood elevations shown on a communities Flood Insurance Rate Map are referenced.

"100-year flood" - see *"base flood"*

"Regulatory floodway" means the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge the base flood without increasing the water surface elevation. These areas are designated as floodways on the Flood Boundary and Floodway Map.

"Special flood hazard area" means an area having flood, mudslide, and/or flood-related erosion hazards, and shown on an FHBM or FIRM as zone A, AO, A1-30, AE, A99, AH, VO, V1-30, VE, V, M, or E. (See - *"Area of Special Flood Hazard")*

"Structure" means for floodplain management purposes, a walled and roofed building, including a gas or liquid storage tank, that is principally above ground, as well as a manufactured home.

"Start of Construction" includes substantial improvements, and means the date the building permit was issued, provided the actual start of construction, repair, reconstruction, placement, or other improvement was within 180 days of the permit date. The actual start means either the first placement of permanent construction of a structure on site, such as the pouring of slab or footings, the installation of piles, the construction of columns, or any work beyond the stage of excavation; or the placement of manufactured home on a foundation. Permanent construction does not include land preparation, such as clearing, grading and filling; nor does it include the installation of streets and/or walkways; nor does it include excavation for a basement, footings, piers, or foundations or the erection of temporary forms; nor does it include the installation on the property of accessory buildings, such as garages or sheds not occupied as dwelling units or part of the main structure.

"Substantial damage" means damage of any origin sustained by a structure whereby the cost of restoring the structure to its before damaged condition would equal or exceed 50 percent of the market value of the structure before the damage occurred.

"Substantial Improvement" means any combination of repairs, reconstruction, alteration, or improvements to a structure in which the cumulative cost equals or exceeds fifty percent of the market value of the structure. The market value of the structure should equal: (1) the appraised value prior to the start of the initial repair or improvement, or (2) in the case of damage, the value of the structure prior to the damage occurring. For the purposes of this definition, "substantial improvement" is considered to occur when the first alteration of any wall, ceiling, floor, or other structural part of the building commences, whether or not that alteration affects the external dimensions of the structure. This term includes structures which have incurred substantial damage, regardless of actual repair work performed. The term does not, however, include any project for improvement of a structure

required to comply with existing health, sanitary, or safety code specifications which are solely necessary to assure safe living conditions or any alteration of a "historic structure", provided that the alteration will not preclude the structure's continued designation as a "historic structure".

"Water surface elevation" means the height, in relation to the National Geodetic Vertical Datum (NGVD) of 1929, (or other datum, where specified) of floods of various magnitudes and frequencies in the floodplains.

Item II. All proposed development in any special flood hazard areas shall require a permit.

Item III. The building inspector shall review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is located in a special flood hazard area, all new construction or substantial improvements shall:

(i) be designed (or modified) and adequately anchored to prevent floatation, collapse, or lateral movement of the structure resulting from hydrodynamic and hydrostatic loads, including the effects of buoyancy,
(ii) be constructed with materials resistant to flood damage,
(iii) be constructed by methods and practices that minimize flood damages,
(iv) be constructed with electrical, heating, ventilation, plumbing, and air conditioning equipment, and other service facilities that are designed and/or located so as to prevent water from entering or accumulating within the components during conditions of flooding.

Item IV. Where new or replacement water and sewer systems (including on-site systems) are proposed in a special flood hazard area the applicant shall provide the Health Inspector with assurance that these systems will be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters, and on-site waste disposal systems will be located to avoid impairment to them or contamination from them during periods of flooding.

Item V. For all new or substantially improved structures located in Zones A, A1-30, AE, AH or A0, the applicant shall furnish the following information to the building inspector:

(a) the as-built elevation (in relation to NGVD) of the lowest floor (including basement) and include whether or not such structures contain a basement.
(b). if the structure has been floodproofed, the as-built elevation (in relation to NGVD) to which the structure was floodproofed.
(c). any certification of floodproofing.

The Building Inspector shall maintain for public inspection, and shall furnish such information upon request.

Item VI. The Building Inspector shall not grant a building permit until the applicant certifies that all necessary permits have been received from those governmental agencies from which approval is required by federal or state law, including Section 404 of the Federal Water Pollution Control Act Amendments of 1972, 33 U. S. C. 1334.

Item VII. 1. In riverline situations, prior to the alteration or relocation of a watercourse the applicant for such authorization shall notify the Wetlands Board of the New Hampshire Environmental Services Department and submit copies of such notification to the Building Inspector, in addition to the copies required by the RSA 483-A:1-b. Further, the applicant shall be required to submit copies of said notification to those adjacent communities as determined by the Building Inspector, including notice of all scheduled hearings before the Wetlands Board. In addition construction within wetland areas requires notification of the Kingston Conservation Commission and the Planning Board.

2. The applicant shall submit to the Building Inspector, certification provided by a registered pro-

fessional engineer, assuring that the flood carrying capacity of an altered or relocated watercourse can and will be maintained.

3. The Building Inspector shall obtain, review, and reasonably utilize any floodway data available from Federal, State, or other sources as criteria for requiring that all development located Zone A meet the following floodway requirement:

"No encroachments, including fill, new construction, substantial improvements, and other development are allowed within the floodway that would result in any increase in flood levels within the community during the base flood discharge."

4. Along watercourses that have not had a Regulatory Floodway designated or determined by a federal, State or other source; no new construction, substantial improvements, or other development (including fill) shall be permitted within zones A1-30 and AE on the FIRM, unless it is demonstrated by the applicant that the cumulative effect of the proposed development, when combined with all existing and anticipated development, will not increase the water surface elevation of the base flood more than one foot at any point within the community.

Item VIII.

1. In special flood hazard areas the Building Inspector in conjuction with the Kingston Town Engineer shall determine the 100 year flood elevation in the following order of precedence according to the data available:

a. In zones A and AE, refer to the elevation data provided in the community's Flood Insurance Study and accompanying FIRM or FHBM.
b. In unnumbered A zones the Building Inspector shall obtain, review, and reasonably utilize any 100 year flood elevation data available from any federal, state or other source including data submitted for development proposals submitted to the community (i.e. subdivisions, site approvals).
c. In zone AO the flood elevation is determined by adding the elevation of the highest adjacent grade to the depth number specified on the FIRM at least 2 feet.

2. The Building Inspector's 100 year flood elevation determination will be used as criteria for requiring in zones A and AE that:

a. all new construction or substantial improvement of residential structures have the lowest floor (including basement) elevated to or above the 100 year flood elevation;
b. that all new construction or substantial improvements of non-residential structures have the lowest floor (including basement) elevated to or above the 100 year flood level; or together with attendant utility and sanitary facilities, shall:
(i) be floodproofed so that below the 100 year flood elevation the structure is watertight with walls substantially impermeable to the passage of water;
(ii) have structural components capable of resisting hydrostatic and hydrodynamic loads and the effects of buoyancy; and
(iii) be certified by a registered professional engineer or architect that the design and methods of construction are in accordance with accepted standards of practice for meeting the provisions of this section;
c. all manufactured homes to be placed or substantially improved within special flood hazard areas shall be elevated on a permanent foundation such that the lowest floor of the manufactured home is at or above the base flood level; and be securely anchored to resist floatation, collapse, or lateral movement. Methods of anchoring may include, but are not limited to, use of over-the-top or frame ties to ground anchors. This requirement is in addition to applicable state and local anchoring requirements for resisting wind forces;

d. for all new Construction and substantial improvements, fully enclosed areas below the lowest floor that are subject to flooding are permitted provided they meet the following requirements: (1) the enclosed area is unfinished or flood resistant, usable solely for the parking of vehicles, building access or storage; (2) the area is not a basement; (3) shall be designed to automatically equalize hydrostatic flood forces on exterior walls by allowing for the entry and exit of floodwater. Designs for meeting this requirement must either be certified by a registered professional engineer or architect or must meet or exceed the following minimum criteria: A minimum of two openings having a total net area of not less than one square inch for every square foot of enclosed area subject to flooding shall be provided. The bottom of all openings shall be no higher than one foot above grade. Openings may be equipped with screens, louvers, or other coverlings or devices provided that they permit the automatic entry and exit of floodwater.

e. proposed structures to be located on slopes in special flood hazard areas, zones AH and AO shall include adequate drainage paths to guide flood waters around and away from the proposed structures.

Item IX Variances and Appeals:

1. Any order, requirement, decision or determination of the building inspector or health officer made under this ordinance may be appealed to the Zoning Board of Adjustment as set forth in RSA 676:5.

2. If the applicant, upon appeal, requests a variance as authorized by RSA 674:33, I(b), the applicant shall have the burden of showing in addition to the usual variance standards under state law:

(a) that the variance will not result in increased flood heights, additional threats to public safety, or extraordinary public expense.

(b) that if the requested variance is for activity within a designated regulatory floodway, no increase in flood levels during the base flood discharge will result.

(c) that the variance is the minimum necessary, considering the flood hazard, to afford relief.

3. The Zoning Board of Adjustment shall notify the applicant in writing that: (i) the issuance of a variance to construct below the base flood level will result in increased premium rates for flood insurance up to amounts as high as $25 for $100 of insurance coverage and (ii) such construction below the base flood level increases risks to life and property. Such notification shall be maintained with a record of all variance actions.

4. The community shall (i) maintain a record of all variance actions, including their justification for their issuance, and (ii) report such variances issued in its annual or biennial report submitted to FEMA's Federal Insurance Administrator.

ARTICLE 9: Are you in favor of the adoption of Amendment No. 5 as proposed by the planning board for the Kingston Zoning Ordinance as follows: To delete the Cotton Map and reference to the Master Plan maps and to add the latest United States Geological Survey map for the Merrimac River Basin under the Aquifer Protection Ordinance, DISTRICT BOUNDARIES. a. Location?

The Planning Board approves this amendment.

NOTE: This amendment will incorporate the latest mapping information which is much more accurate.

YES 1449 NO 268

ARTICLE 10: Are you in favor of the adoption of Amendment No. 6 as proposed by the planning board for the Kingston Zoning Ordinance as follows: To add three sentences to Article V., Section 5.12, Supplemental Lot Regulations: For purposes of this section, fences and septic systems are not considered structures. Septic systems shall not be located closer than twenty (20) feet to a property line. In the case of a failed septic system on an existing non-conforming lot of record, the Kingston Health Inspector may approve locations as close as ten (10) feet to a property line?

The Planning Board approves this amendment.

NOTE: This amendment will shorten the time needed to replace failed septic systems.

YES 1301 NO 422

ARTICLE 11: Are you in favor of the adoption of Amendment No. 7 as proposed by the Citizens' Petition for the Kingston Zoning Ordinance as follows: To change Tax Map R3-11, 12, 13, and 2B; and Tax Map R4-10, 16, 23 and portions of R4-17 from Rural Residential to Single Family Residential?

The Planning Board does not approve this amendment.

YES 404 NO 1258

SANBORN REGIONAL SCHOOL DISTRICT OFFICERS
SCHOOL BOARD MEMBER FROM KINGSTON - TERM ENDING 1995

James S. Albrecht, Sr. 596
Electra L. Alessio ..... 1216 *

MODERATOR - TERM ENDING 1993

Richard "Rick" Russman ..... 1594 *

The ballots were wrapped, sealed and locked in the vault at the Town Hall at 2:00 AM on March 11, 1992.

Bettie C. Ouellette
Kingston Town Clerk

MINUTES OF CONTINUED TOWN MEETING
AT SWASEY GYMNASIUM - MARCH 11, 1992

The meeting was called to order at 7 P.M. by Electra L. Alessio, Moderator. All pledged allegiance to the Flag of our Country. she introduced Selectmen, Stamatios Yiokarinis and Jeremy Russman, then Town Clerk - Tax Collector, Bettie C. Ouellette. Next, the Budget Committee members were introduced - Carroll Wright, Chairman, Susan Cavanagh, James Rankin, Edward Jervis, William Eckel, Anthony Whitcomb, Keith Dias, Natalie Timmons and Mark Marino.

Mathew Steer then made a presentation from Boy Scouts Troop #93. On March 21 they will deliver bags for the Kingston Food Pantry and on March 28 they will pick up the bags.

The Moderator announced that she wanted the meeting to proceed in an orderly manner. She then read the results of yesterday's balloting, including the 7 questions on the ballots. Town Counsel will rule on the legality of William Timmons' election as Trustee of Trust Funds for 3 years and Norman Hurley's election to the Municipal Budget Committee for 3 years. (Unless otherwise specified, all votes were by voice.)

ARTICLE 2 - It was voted to raise $2,050,824.00 to defray Town charges for the ensuing year and to make appropriations of the same. An amendment was made by Brian Collins to reduce the amount to $1,870,824.00, but it was NOT passed. This vote was taken after a motion to "cut off debate on the amendment" made by Margaret Wentzel, was passed.

ARTICLE 3 - It was voted to authorize the Selectmen and Town Treasurer to borrow such sums of money in anticipation of the collection of taxes for the current year and, to issue in the name of the Town, negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.

ARTICLE 4 - It was voted to authorize the Tax Collector to allow a deduction of 1 1/2% from Town Property Tax when payment is made within 30 days of billing.

ARTICLES 5 through 11 - were voted by written ballot Tuesday.

ARTICLE 12 - It was voted to authorize the Board of Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the 1992 calendar year provided that such expenditure be made for purposes for which a Town Meeting may appropriate money and that such expenditure not require the expenditure of other Town funds. Further, that the Board of Selectmen and the Municipal Budget Committee hold a public hearing prior to accepting and spending such money.

ARTICLE 13 - This article, to see if the Town would vote to raise and appropriate the sum of $10,000.00 to be added to the Nichols Memorial Library Capital Reserve Fund for future library expansion as created in the 1990 Town Meeting, was NOT passed. (See later reconsideration after Article 22.)

ARTICLE 14 - It was voted, as amended, to authorize Trick-or-Treating on October 31 each year between 5 PM - 8 PM, as long as accompanied by an adult. The amendment was made by Jef Flanders-McDougall.

ARTICLE 15 - It was voted to authorize the Town to raise and appropriate the sum of $23,847.00 to be placed in the Landfill Closure Capital Reserve Fund. An amendment by Laurette Poleatewich to have none of this money raised by taxes in the Town of Kingston was NOT passed.

ARTICLE 16 - This article, relative to raising and appropriating $2,2471.00 to purchase a copier for the Police Department, was tabled on a motion by Chief Neil R. Parker.

ARTICLE 17 - It was voted to indemnify and save harmless for loss or damage occurring after said vote, any person employed by the Town and any member or officer of its governing board, administrative staff or agencies, including, but not limited to Selectmen, from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to our destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office, as set forth in PSA 31.105 Law o N.H.

ARTICLE 18 - It was voted, by standing "eye" vote, to authorize the Selectmen to accept the property known as Map #R21-1 if such property becomes available through the State of New Hampshire This property is located across from the boat landing and is the present location of the State Highway Garage An amendment, made by Brian Collins, "as long as the property is not identified as a hazardous was site" was NOT passed.

ARTICLE 19 - It was voted, as amended, to raise and appropriate the sum of $2000.00 to fund the D.A.R.E. program for 1992 The amendment was made by Neil Parker to change the amount from $5000.00.

ARTICLE 20 - It was voted to authorize the Selectmen to set aside Tax Map R21-33A for the future site for a police safety complex. This is town owned land at the end of property by the Highway Department.

ARTICLE 21 - It was voted to raise and appropriate the sum of $2,596.00 to be placed into the Capiotal Reserve Fund for future replacement of the Ambulance. This amount represents the total amount of fees collected in 1991.

ARTICLE 22 - Normal Hurley moved that $30,000.00 to be raised and appropriated to be placed in the Fire Department Capital Reserve Fund for Apparatus Replacement. It was seconded. The Moderator announced that this motion was brought on the floor as amended ans asked if there was any objection. There was none. After much pro and con discussion, the article was passed. At this time, Arthur Schultz made a motion to reconsider Article 13 relative to the Library Capital Reserve Fund, and it was seconded. When the voice vote was uncertain, the Moderator appointed the following tellers to count the standing vote: David Conant, Sally Cockerline, Donald Eadie and Paula Marino. Results were Yes 115 and No 87.

ARTICLE 23 - It was voted to raise and appropriate the sum of $150,000.00 to purchase a new Fire Truck to replace our existing 1973 Ford Engine #3 and to authorize the withdrawal of $150,000.00 frm the Capital REserve Fire Department Apparatus Fund, created for that purpose. Any unspent balance to be returned to the Capital Reserve Fire Department Apparatus Fund.

ARTICE 24 - This article, realative to raising and appropriating the sum of $5,000.00 to be placed into the Capital Reserve Account for future replacement of the Ambulance, was NOT passed.

ARTICLE 25 - It was voted to raise and appropriate the sum of $850.00 to assist Cross Roads House, Inc., a non-profit organization, in providing emergency shelter and transitional housing services to the area's homeless population.

ARTICLE 26 - It was voted to raise and appropriate the sum of $15,000.00 to fund the continuation of the Kingston Volunteer Recycling Program.

ARTICLE 27 - It was voted to raise and appropriate the sum of $25,000.00 to sponsor a limited regional Household Hazardous Waste Collection Day. Said cost to be reduced by participating towns reimbursing Kingston on a per capita basis and any grants that may be available for such a program. An amendment made by David Moore to reduce the amount to $5000.00 and change the wording "to fund Kingston's share for a regional Household Hazardous Waste Collection Day. Said cost to be reduced by any grant that may be available for such a program." This amendment was NOT passed.

ARTICLE 28 - It was voted to raise and appropriate the sum of $10,.000.00 to be added to the Capital Reserve fund established in the 1987 Town Warrant #46, for the purpose of conservation land purchase and associated costs.

ARTICLE 29 - It was voted to authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the Conservation Fund KCCRSA 36-A:5 for the purposes of acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use Further, that monies from the Capital Reserve Fund for conservation land purchase may be expended for the above stated purpose. Said appropriated or donated funds may be expended by the majority vote of the Kingston Conservation Commission and the Selectmen.

ARTICLE 30 - This article, to raise and appropriate the sum of $76,000.00 to be used to replace both bridges on Little River Road, was NOT passed.

ARTICLE 31 - It was voted to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing Highway trucks and equipment and to raise and appropriate the sum of $30,000.00 to be placed in this fund, and to designate the Board of Selectmen and Road Agent as agents to expend An amendment made by Carroll Wright to reduce the amount to $15,000.00 was NOT passed.

ARTICLE 32 - It was voted to raise and appropriate the sum of $700.00 to help defray the cost of

services provided to the Town of Kingston and its residents for fiscal year 1992-1993 by the Retired Senior Volunteer Program (RSVP).

ARTICLE 33- It was voted to amend the Cemetery By-Laws by establishing new prices for the sale of cemetery plots, by changing the first paragraph of Section B.: so that the new section would read as follows::

B. Cemetery plots: Sales, etc. - Minimum plot size if 81/2 'x10 and sells for $200.00, including perpetual care and which provides for two graves. Next size plot is 10 x10' and sells for $300.00 , including perpetual care and which provides for three graves. Next size plot is 10' x 20' and sells for $600.00 , including perpetual care and which provides for six graves. Larger plots can be obtained by joining 10'x20' lots.

NOTE: The 81/2 'X 10' is a new lot size. Formerly the price was $150.00 for 10'x10' lot, and $250.00 for 10'x20' lot. There will be no change in the second paragraph of Section B.

ARTICLE 34 - It was voted to authorize the Selectmen to cut approximately 8 acres of land, acquired by tax collector's deed and currently owned by the Town, located in the "Woodman Swamp" next to the Bakie Farm on Route 107A, being parcels 9, 17, 18, 28, 30, 32, 33, 34, 35, 36, 41, 42, 43 and 44 on Tax Map R27., under permanent conservation easement for the purpose of preserving the natural state of the land for posterity.

ARTICLE 35 - It was voted to authorize the Selectmen to deed the ownership interest of the land referred to in Article 34 above, burdened by the permanent conservation easement, for One Dollar ($1.00), to John Bakie, for the purpose of putting ownership of the entire original Bakie Farm land back to the Bakie family, in consideration of their donations of permanent conservation easements over certain other lands.

ARTICLE 36 - It was noted to authorize the Selectmen to deed back to the previous owner, real estate located off North Danville Road (Tax Map R32, Parcel 1) which the Town acquired by Tax Collector's deed, upon payment to the Town of an amount equal to the sum of prepaid taxes on that real estate and interest thereon at the statutory rates for unpaid taxes; and all costs of the Town relating to the unpaid taxes and deeding of this real estate.

ARTICLE 37 - It was noted to change the name of Country Pond Road South to "Reinfuss Lane".

ARTICLE 38 - The following resolution was passed: That the Town of Kingson actively endorses the continuation of recycling and further expansion of recycling as environmentally responsible and necessary to safeguard the future of the Town of Kingston.

ARTICLE 39 - It was voted to authorize the Board of Selectmen to sell surplus goods and equipment from various departments at public auction or by sealed bid.

ARTIVCLE 40 - It was voted as amended by David Welch to authorize the Board of Selectment to sell tax deeded property exluding waterfront property at public auction or sealed bid, subject to the Public Land Acquisition Ordinance adopted March 11, 1986 Said vote to exclude property described in Article #34 map reference R27-30 previously voted during this meeting.

ARTICLE 41 - It was voted to adopt the grand total of the budget and all articles at $2,350.,817.00. This was an affirmation of the total sum spent at this Town Meeting.

Lynne Merrill, Chairman of the 300th Anniversary Committee notified voters of the progress being made by the committee for the celebration planned for 1994. In 1992 there will be events taking place on August 7th and 8th she also mentioned that there are many souvenirs available for sale in the Town Clerk-Tax Collector's office. Volunteers are still needed and would be welcomed on the committee working for all of the events being planned.

It was voted to adjourn at 10:15 P.M.

Bettie C. Ouellette
Kingston Town Clerk

Note: On March 17, 1992, the Town Counsel ruled that William Timmons, Jr. and Norm Hurley are both able to serve as Trustee of Trust Funds and Member of the Budget Committee respectively.

REPORT OF CABLE ADVISORY T.V. COMMITTEE

The original CATV committe was reactivated by the Selectmen in October 1991. This committee had been inactive since Cable TV contract between Harron and the Town of Kingston was signed in 1983.

The Selectmen requested two things:

1. activation of the Town Channel 51 by broadcasting the Selectment's meetings.

2.. answering the complaints and questions about Cable TV.

The original committee met in October 1991 with Ken Briggs, chairman, to organize and were joined in November 1991 with more people interested in becoming CATV members.

Mr. Jim Rankin volunteered the loan of his equipment and himself to get live coverage of Selectmen's meetings underway as soon as possible. The committee gratefully accepted this offer and live coverage was started.

The Chairman appointed Jim Rankin as Vice Chairman and liaison to Haron Cable and through his dedication, the programs seen on Channel 51 were made possible. The Cable TV contract with the Town provided that Harron must furnish and maintain approximately $20,000 worth of equipment and provide a studio in space provided by the Town. The contract also provided 5% of the Harron gross revenues must be given to Town with 2% of same to be used by the CATV Committee to enhance programming.

Harron answered many complaints of no service and poor service by increasing service calls with added technicians and extended hours.

Constant pressure applied to NET - pole custodian in Kingston - speeded up the granting of permits to Harron to allow them to run cable to service customers.

In additon to the Town Channel, the Cable TV Contract provided for an Educational Channel which it described in detail including the many sources of cost free programs available. The original TV Committee felt very strongly in favor of Educational TV and current committee concurs.

Organization of the Educational Channel was started in the fall with the SRHS appointing a committe to work with the CATV Committee and also providing studio space, with the intent of having some limited programming under way by early summer 1993.

Active members of the CATV Committee are:

*Ken Briggs, Chairman
*Don Briggs, Jr. Selectmen's Respresentative
Janet Dilts
*John Flanders
Mike Gursky

Jim Rankin, Vice Chairman
Henry Chabot
Steve Durgin
Andrew Gaunt
Tony Whitcomb

*Denotes 1981-83 CATV Committee Members

Respectfully Submitted,
Ken Briggs, Chairman

KINGSTON EMERGENCY MANAGEMENT AGENCY

This year was a year of reoganizing and preparation for the "Kingston Emergency Management Agency", also known as "Civil Defence Agency". A significant change was in the relocation of the Emergency Operations Center (EOC) from the "meeting room" in the Police/Fire Dept. Building to the offices of the Police Station. It was felt that this would be a more permanent and useful location. It was found this year through graded exercise given in June by the Federal Emergency Management Agency (FEMA), that if Kingston should find itself in a potentially hazardous situation, the Department heads of this town can overcome what might otherwise be a disaster to the people of Kingston. The Kingston Emergency Management Agency is responsible to coordinate activities from the "EOC" between all department heads of this Town and to coordinate any further communications with the State and/or Federal Government so that all departments are constantly aware of what is needed to overcome any potential disaster, and to be able to request any assistance from any other agency at any time. Looking to the future, we all know that expansion and progress is necessary. At this time it is essential that the Police Dept./EOC be authorized proper expansion.

Respectfully Submitted,
Jim McGlinchey - Director
Kingston Emergency Management Agency

1992 ANNUAL REPORT

KINGSTON MUNICIPAL GRIEVANCE COMMITTEE

The five members of the Kingston Municipal Grievance committee were appointed in November of 1991. The first meeting was held on January 22, 1992. The grievance procedure was developed and drafted during subsequent meetings over the next several months. A final draft was presented to be the Board of Selectmen and Town Department Heads at their March 25, 1992 meeting and comments were requested. The procedure was officially adopted by the committee on June 11, 1992. Copies were provided There were no grievances raised to the Committee during 1992. The committee attributes this to the high level of dedication to duty and professionalism of all town employees and officers.

Ernest J. Landry
Chairman

KINGSTON RECREATION COMMISSION

It has been yet another busy year for the Kingston Recreation Commission. The Commission continued to sponsor annual events such as an Easter Egg Hunt on the Plains, The Children's Summer Day Camp during the month of July, A Fun Run and Family Scavenger Hunt during the Town Anniversary, The gruesome "Haunted Hall" for Halloween, and Traditional Christmas Program including the Tree Lighting, Singing of Christmas Carols, Hayrides and Refreshments at the Town Halll during the Christmas Season.

This past year also included many new and exciting events such as Family Bingo, Puppy Kindergarten, the First Fireworkds display held in Kingston, The First Annual Duck Race, several Pre-School Programs, and the sponsoring of trips such as "Disney on Ice".

The Commission also served as a sponsor/liason for many town requested activities such as Aerobics, Men's Soccer, Softball, and Senior Citizen Activities.

During this year the Commission also successfully completed its first year of activation with the Community Access Channel #51. The channel has become beneficial in the weekly publication of community events and activities and remains a busy network of communication within the town.

Throughout the coming year our efforts will focus on gaining new members. New members reinvigorate new ideas and contribute to the rewarding experience of community involvement within the town.

The Kingston Recreation Commission wishes to extend our sincere appreciation to the many people who have donated their time and talents into making the Commission an invaluable program throughout the town. Thank you for your continued support, we look forward to another fun filled year!

Elaine Van Dyke
Chairperson

KINGSTON HIGHWAY DEPARTMENT
1992 ANNUAL REPORT

After many meetngs with the Selectmen, Town Council, and local Residents, we were able to come up with a plan to replace the two wooden bridges on Little River Road. Both bridges were replaced and opened to traffic three days before the first snow in November. There is still some finish work to be done in the spring of 1993.

During the winter months of 1992 we had 45 winter storms that required plowing, sanding and salting of the roadways. The most memorable storms were the severe ice storm of 12/23, the late spring storm that caught us by surprise on 4/16 and the 20 plus inches of heavy wet snow that fell on 12/11 thru 12/12.

At Town Meeting in March of 1993, we will be asking the Voter to approve the purchase of a new dump truck with plows and sander. This will replace the 1981 Ford F-600. This truck has 140,000 miles showing on the odometer and has a very tired engine, a transmission that locks into gear, a rear end that will not shift from low to high, and a rusty frame.

If you have any questions or concerns please feel free to call me at the Highway garage (642-8042) or stop by any time.

I would like to thank all Voters, Residents, Selectmen, Department heads, all Town Employees, and Ken Briggs our Town Engineer, for all your help and cooperation this past year.

Richard D. St. Hilaire
Road Agent
Kingston Highway Dept.

TOWN OF KINGSTON, N.H.
MINUTES OF SPECIAL TOWN MEETING - MAY 21, 1992

The Special Town Meeting was called to order at 7:05 P.M. by William S. Bartlett, Jr. as Acting Moderator, with the salute to the flag. He replaced Electra Alessio, and read the rules to be followed. The Selectmen were Stamatios Yiokarinis, Jeremy Russman and Donald Briggs, Jr., and Neil R. Parker, Sr. was the policeman. The Acting Moderator introduced Town Counsel, Stephen Hermans, who was present in case he was needed.

A petition, requesting a vote be secret ballot, and signed by nine voters, was presented to the Moderator prior to the opening of the meeting.

The Moderator read the warrant - "To see if the Town will vote, pursuant to RSA 195.25, to direct the Sanborn Regional School Board to conduct a study of the feasibility and suitability of the withdrawal of Kingston from the Sanborn Regional School District, or take other action relating to the withdrawal of Kingston from the Sanborn Regional School District."

A motion was made by Brian D. Collins, and seconded, "To see if the Town will vote, pursuant to RSA 195:25 to direct the Sanborn Regional School Board to conduct a study of the feasibility and suitability of the withdrawal of Kingston from the Sanborn Regional School District.".

During a long discussion on the article, the following voters expressed their opinions: Brian Collins, Electra Alessio, Arthur Schultz, Herbert Noyes, Sally Cockerline, Jacqueline Jones, Peter J. Sullivan, Maria Haydock, George Schiller, Charlotte Wright, Lynne Merrill, Norma Quintal, Paul Reczek, Dennis Mascio, Richard Gerrish, Robert Morse, and Steven Smith.

The Secret Yes and No Ballots were cast with a Check List Vote. The Supervisors and Town Clerk were assisted in counting by Deputy Town Clerk, Holly Ouellette. There were 247 votes cast, with three of them void, and the article was defeated by 38 yes votes 206 no votes.

The meeting was adjourned at 8:38 P.M.

Bettie C. Ouellette
Town Clerk

BOARD OF SELECTMEN'S REPORT

The year 1992 was a year of continued progress for the Town of Kingston. The Board of Selectmen strived to enhance the working relationship with all Boards and Committees This effort resulted in a number of accomplishments including the rebuilding of two bridges on Little River Road, the acquisition of significant additional conservation land through donations and the introduction of curbside recycling at no additional charge to the Town.

Selectmen continue to target spending in order to hold the line on taxes. Despite this effort, a small increase was necessary to offset Town and School Budgets. Be assured Selectmen will continue to focus on this issue.

The Selectmen also wish to extend sincere gratitude to all Town Departments for their cooperative efforts to control spending and cut operating costs.

The Board also thanks all Town Employees and members of Boards, Commissions and Committees. Their efforts in serving Kingston is demonstrated by their cooperation and enthusiasm.

In conclusion, Selectmen extend thanks to all the Townspeople for their continued interest in the affairs of the Town and look forward to 1993 with optimism.

Stamatios Yiokarinis, Chair
Jeremy D. Russman
Donald W. Briggs, Sr.
Board of Selectmen

AUDIT REPORT

The audit firm of Grzelak & Co. of Laconia, N.H. is in the proces of finalizing its 1992 report regarding the general purpose financial statements for the Town of Kingston.

We regret that this report was not available at the time of printing. When the report is received, it will be announed and copies will be available.

Board of Selectmen

TOWN OF KINGSTON
Department of Health
Kingston, New Hampshire 03848

January 26, 1993

In 1992 the following actions pertaining to septic systems were completed by the Health Officer for the Town of Kingston:

Dog bite follow-up	3
Lead paint check	1
Restaurant violations	4
Restaurant inspections and res-inspections	0

Respectfully submitted,
Laurence Middlemiss
Kingston Health Officer

KINGSTON HUMAN SERVICES DEPARTMENT
1992 ANNUAL REPORT

The Human Services Department hereby submits its 1992 Annual Report. The Human Services Office is located on the second floor of Town Hall in what was formerly the Selectmen's Office. It is in this office where applications for Town aid are accepted.

We have much clothing available FREE! So much was donated this year that additional shelves had to be built for storage and organization. Please come and visit - there may be some items you can use !

This office also operates the Kingston Food Pantry which was started in 1983 and has progressively grown, thanks again to generous donations. The panty is used to feed the needy and has always played an inportant part in the Town's welfare projects.

Once again, in 1992, the Food Pantry made up Thanksgiving and Christmas baskets, to ensure a pleasant holiday for many families. The Office also distributed toys at Christmas time to many needy children.

The Food Panty operates year round to serve the community. Many residents have generously opened their hearts and donated to this program. The Food Panty operates independently and is not funded by the Town's welfare budget.

A special thanks to the following for their generosity during the past year:

Kingston Lioness
Kingston Area Junior Women's Club
Mary Mother of the Church
Sanborn Middle School - Richard Chretien
Kingston Day Care Center
Neal Godfrey
E. Nadine Russman
South Road Kindergarten - Norma Quintal
Roy & Joan Daubenspeck
John & Donna DeMeo
Tina Castaldi
Richard & Denise Devlin
Christine D. Long
Mr. & Mrs. John Jandreau
Bob & Ilmi England
Bill & Nancy Rent
Charlotte Boutin

Merry Seniors
Southern N.H. Trailblazers
Play & Learn Children's Center
Mr. Mike's Variety - Debbie
Mr. & Mrs. Harry Snow
Mr. & Mrs; James T. Rankin
Mr. & Mrs. Leslie Eastman
Richard & Joanne Leigh
Herbert Woodworth
Mr. & Mrs. Joseph Wicker
Marilyn & Francis Horan
Mrs. Carolyn Christie
Louis Gould
John Welch
Henry Mullen
Lee Steer

We are also grateful to those residents who chose not to be identified. We sincerely thank everyone for helping keep our programs operating. If we may be of assistance, please call 642-9971.

Michael R. Priore
Kingston Food Panty Director

ANNUAL REPORT
KINGSTON BOARD OF ADJUSTMENT

The purposes of the Kingston Board of Adjustment are to grant variances which allow fair use of a person's property without harming another's to determine if an error has been made in the decision or determinization of a town official and to interpret the meaning of a zoning ordinance.

This year the Board met seven times and dealt with nine applications.

Sincere thanks is given to other town departments who assisted us in their areas of expertise and to the board members who donated their time so willingly.

David Dearborn, Chairman
Kingston Board of Adjustment

KINGSTON PLANNING BOARD
1992 ANNUAL REPORT

1992 may have been an economic recession year, but Planning Board activity remained steady in spite of this. While large scale development proposals were few this year, the Board held nineteen public hearings on a variety of applications including: Eleven commercial site plans; three residential subdivisions; one lot line adjustment; and two gravel pit permits. The Board also approved twenty "invisible" in-home businesses.

The all-volunteer Planning Board is ably assisted by Circuit Rider Planner Glenn Greenwood, whose services are contracted from the Rockingham Planning Commission. In addition to providing expert planning assistance and guidance to the Board, he attends all Board meetings and holds office hours three Mondays per month. During his office hours Mr. Greenwood accepts applications, reviews all plans submitted to the Board, answers questions from the general public and performs other Board business as directed by the Chairman. A significant part of his workload in 1993 will be the updating of Kingston's Master Plan and Capital Improvements Program, both of which are due for major overhaul this coming year. The Circuit Rider Planner service from RPC continues to be invaluable to the Planning Board and the Town of Kingston.

The Planning Board experienced two notable personnel changes in 1992. First, Mr. Ken Weyler stepped down as Chairman after eight years in that position. During Ken's tenure as Chairman, the Board made significant strides toward promoting orderly growth, protecting the town's natural resources, and maintaining its unique character. Ken has been a Planning Board member since 1981, and we look forward to his continued enthusiasm, expertise and leadership as an active member of this Board. The other personnel change of note was the resignation of long time Board member, Mr. Robert Morse. Bob served on the Board for fifteen years durng which he actively worked to strike a balance between the need for development, and the protection of natural and cultural resources. We are extremely grateful for Bob's many years of service to the Planning Board.

We are indebted to the other town departments for their cooperation and assistance in helping us accomplish our goals. Special thanks to the Planning Board members who gave freely of their time and ideas; and to those Kingston residents who took the time to attend meetings and participate in the planning process.We are looking forward to a busy and productive year in 1993.

Respectfully submitted,
Glenn G. Coppelman, Chairman
Kingston Planning Board

KINGSTON SOLID WASTE TASK FORCE
1992 ANNUAL REPORT TO THE TOWN OF KINGSTON

The Kingston Solid Waste Task Force (KSWTF) is completing its fourth year of operation. Since our last report we made significant progress in finding solutions to our solid waste disposal problems - both long and short term. The Task Force has continued to work with the Board of Selectmen, other governmental agencies, private companies and citizens of the town in this regard.

During its life the KSWTF has established four major goals; namely;

1. Develop and implement an interim recycling program until a long range program is in effect
2. Develop recommendations for future use of the Town landfill based on results of the State mandated closure
3. Evaluate alternative methods of trash disposal based on the State mandated twenty year waste disposal plan
4. Coordinate the disposal of Household Hazardous Waste with nearby communities in a cost effective manner

With the introduction of a voluntary curbside recycling program on February 1, 1993, we believe we have effectively met our goal of achieving an effective long range program in this important area. Our menu (list of items accepted for recycling) is the longest in the area and we have been able to go to curbside recycling at a cost which is less than we previously paid for the volunteer operated transfer station at the landfill. Within the next six months we expect to achieve a 75% residential participation rate compared to the 15% realized at our transfer station.

In July we coordinated a four town consolidated Household Hazardous Waste (HHW) collection day at our landfill. This program was an unqualified success - not only did we fund the program at an amount considerably under budget, but all HHW brought by residents of the participating town was accepted for disposal. We expect this program to become an annual event with coordinating responsibilities rotating among the participating towns.

The Town is conducting water purity tests and taking other steps to prepare for the eventual closure of the landfill. We believe current operations at the landfill conform to the State mandated landfill closure guidelines; however, we have not yet finalized our documentation in this area. When we receive the appropriate directives from the state we will be able to pursue our third goal of developing alternative methods for disposing of the Town's trash.

By the time this report is published ,the KSWTF will have a new Chairperson , so personally and on behalf of the Committee, I thank the residents of Kingston for their continuing support of our efforts to find solutions to the Town's solid waste and recycling issues.

Submitted by:
Anthony L. Whitcomb, Chairman
Kingston Solid Waste Task Force

NICHOLS MEMORIAL LIBRARY

This past year has been extremely busy one. Circulation increased by 4981. Slightly less than half of this was in video circulation. 14..8 per cent growth in one year has been exciting.

915 new books were purchased during the past year bringing the library total up to 16,510 volumes. 105 of the new books were gift or memorial books, and the number of lost and withdrawn was 589. 71 new video cassettes were purchased brining the total to over 150. The number of registered library users is 2,967. Lack of space becomes an ever increasing problem.

Additional shelving was installed in both the adult and children's rooms.

A new well point was driven that greatly improved our water suplly.

Many memorial books were purchased thanks to the thoughtful relatives and friends of Cecil and Ruth Cross, Carol Forsythe, Clarence Gifford, and Annie Locke Stevens..

We also continue to purchase books for the children in Waldo and Isabelle Magnusson's memory from the trust fund bequeathed to the library in 1985.

Special thanks to Ron Adrien, Jim Dwyer, The Kingston Garden Club, Caleb Huxter , GFWC Kingston Junion Women's Club, VFW Ladies Auxilliary, Mr. & Mrs. Robert McDougall, Northland Forest Products, Joyce Reid, Rockingham Planning Commission, Debbie Rouleau, Dot Wagner, Joyce White, and Mr. & Mrs. Carroll Wright for their generous support.

It is because of donations such as these that we are able to purchase many special additions, collections and genealogical materials.

This year we were able to purchase passes to the Museum of Fine Arts in Boston, and the Science Enrichment Encounters in Manchester. These are in addition to the Children's Museum and the Museum of Science passes, both of which we have had for a few years. These are funded from specific donations as well as out-of-town memberships.

Carol Rich, Librarian

KINGSTON POLICE DEPARTMENT

The Kingston Police Department experienced a drastic 40% increase in the number of calls and juvenile related services provided to our citiizens during the 1992 year.

I attribute this increase to the current economic conditions, juvenile investigations, and a general increase in criminal activity within our community.

It is my pleasure to report to you that Deputy Chief Donald Briggs and Officer Joel Johnson completed the New Hampshire 98th full time Police Academy in November 1992.

In the annual report of 1974, I reported to you, the citizens of Kingston, that we had just completed the construction of the new police station located upstairs in the central fire station. This new station was comprised of three small office areas and was a major improvement, compared to the previous location (my kitchen).

As the years have passed, we have seen a substantial growth within our community. We have experienced the need for 24 hour police protection, more officers to answer your needs, more cruisers to patrol many more miles of roads, and finally, the need for a larger, more efficient police station.

In 1992, we were very fortunate to have Ralph (Ronnie) Bake donate a parcel of land for the future location of a new police station. With the support of you, the residents of Kingston, we will be able to complete this task.

This new building will not only service the needs of the police department, but will provide accessibility to every citizen of Kingston.

I would like to express my sincere appreciation for the continued support that you have shown for both the department and myself during the 1992 year.

As always, our goal is to provide the citizens of Kingston with the most efficient and professional police department for the town.

Respectfully submitted,
Neil R. Parker, Sr.
Chief of Police

KINGSTON FIRE DEPARTMENT

The Kingston Fire Department has seen an incredible growth spurt in the year 1992. The combination of a push for more personnel and a sharp increase in major emergency calls have put our resources to a test. In almost all areas, we have been able to show vast improvements in the ability to handle these predicaments.

For the first time in many years the Kingston Fire Department has had to start a waiting list for hiring new personnel. For the previous few years, we have solicited relentlessly for volunteers to come and join our team..This year our energetic efforts have paid off. Even with this large increase of help, there was still only a marginal increase of daytime personnel..The Fire Wards and Fire Officers agreed to look to Emergency Medical Technicians and fire fighters from neighboring towns to help fill our needs. This, too, has proven to relieve some of the burden on the daytime personnel.

The call volume for Kingston's ambulance rose from 294 patients in 1991 to 367 this past year. That is approximately a 25 percent increase in just one year. The fire related calls rose from 186 in 1991 to 207 this past year, or over a 10 percent increase here. The number of true emergencies expanded by almost 30 percent from past years. We called mutual aid from surrounding towns on many occasions to help support our exhausted resources and limited personnel. Help was requested from other towns two times more than we were requested to go to other towns for mutual aid, due mostly to our increase in ambulance calls.

It gives me great pleasure to recognize Earl Carter for his **FIFTIETH** year of service, as well as Donald Briggs, Sr. and Ed LeClair for their more than **FORTY YEARS** of service. Their endless dedication and commitment to the Fire Department and town is outstanding. I would like to thank Bill Timmons for his total dedication as fire chief for the past 5 1/2 years and his continued support as deputy chief. I would also like continuous comitment to expanding their knowledge in emergency care and emergency scene management. They truly deserve to be proud of their successes and accomplishments.

Lastly, I would like to thank all the towns people, businesses, and organizations who have supported the Fire Department throughout the year. Without this support, the Kingston Fire Department would not be able to provide the service and commitment you have grown to expect.

Norman R. Hurley, Chief
Kingston Fire Department

KINGSTON CONSERVATION COMMISSION
ANNUAL REPORT

We are very pleased to report that a significant step in protecting the Powwow River was accomplished this year. Carol Weyler and Warren Whitcomb spearheaded the drive to raise over $15,000 in donations to purchase a significant portion of riverfront property on the Powwow. Anyone who has seen the property has agreed that it is a natural treasure that we are very fortunate to be able to protect and enjoy. Many thanks to Carol and Warren who had the foresight and drive to conceive and execute a plan to protect this land. This project was enabled by the very generous donations from the people of Kingston, again, many thanks This land will be opened to the public as an educational park/reserve and be called ET's Landing to honor two people who made the project feasible. The E is Commission member Dianne Eadie who has committed herself to protecting the land along the Powwow. She is responsible for the protection of hundreds of acres of land along the River. The T is for William Tucker who lived on the land for many years, protecting it with a simple lifestyle that existed with nature instead of changing it to suit his needs.

Kingston's Boyscouts are presently working on development projects for ET's Landing and other Conservation Commission managed land to allow greater public use. These projects serve as requirements for the Boyscouts Eagle rank and also as enthusiastic manpower for Commission projects.

Other Commission projects are the review of all wetland impact projects. The most significant review was of the proposed Powwow Pond dredging. Many meetings were held with the Powwow Pond Council and also the public. The outcome was to require a resubmittal of the project that addressed the concerns of the public, Town and State Boards. The project is on hold pending detailed engineered plans.

Water quality tests for Great Pond was funded by the Commission as was professional review of potential wetland violations.

A seedling sale was sponsored with the proceeds going to the Conservation Fund.

We welcome new member Renee Phaneuf and extend a call for additional members as there will be openings in the coming year.

Respectfully submitted,
Russel Army, Chairman

300th ANNIVERSARY COMMITTEE
ANNUAL REPORT

1994 is just one year away and the 300th Anniversary Committee is finalizing the planned activities for the week and fundraising.

As we reported last year, Anniversary Week will begin on Saturday, July 30, 1994 and continue through Sunday, August 7. We have signed a contract with the Tommy Dorsey Band for the Gala Ball on Saturday evening, July 30th. Celebration Day on August 6, (Kingston's official birthday), will feature a two-three hour parade in the morning and culminate with entertainment for the whole family. Other planned events are a children's parade and activities, house tours, firemen's muster, antique car show, beard growing contest, old fashioned band concert, fireworks, ecumenical services, a history day, museum exhibits, pancake breakfast, art show and much, much more. We are still striving to make most events free to Kingston residents.

Fundraising has been fun for the entire community! We sponsored a band concert in the bandstand, pancake breakfast, and other activities last August. Souvenirs are selling extremely well - have you purchased your Kingston T-shirt or commemorative coin yet?

We're still looking for volunteers to serve on many of our committees. If you are interested, please contact Lynne Merrill for more information.

Many thanks to everyone who is serving on a committee, donating a few hours of their time, giving us advice (and answering our questions about Kingston's 275th) or donating to our celebration including: (and we hope we haven't missed anyone!)

KINGSTON TOWN MUSEUM
1992

Several groups of local school children, as well as other groups, have visited the museum this year.

A copper hand pump, (donated by William Friend) a copper pan (donated by Art Reynolds), and with the help of a local caprenter, a sink was installed in the tramp house. A small wood stove (donated by Art Reynolds) was also placed in the tramp house.

Our 20th year of a flea market on the plains was again successful and $500.00 was given to the Kingston Improvement and historical society for their use in repairing the church on the plains.

The search is on to secure a gold-headed cane to replace the Boston Post Cane which has disappeared. Hopefully, we will have a replacement for the 300th Anniversary Celebration to present to the oldest town resident.

Respectfully,
Art Reynolds (Director)

1992 REPORT OF TOWN CLERK-TAX COLLECTOR

In 1992 there was an increase of $13,624 in Motor Vehicle revenue, compared to a decrease of $19,862.in 1991, a decrease of $22,082 in 1990, an increase of $13,743 in 1989, and an incrase of $26,955 in 1988. The total vehicles registered in 1992 (6775) shows an increase of 201 from 1991. I hope the poor economy is ending.

The following Vital Statistics were recorded: 38 Births: 42 Marriages and 46 Deaths, indicating a decrease of 17 Births; a decrease of 7 Marriages; and an increase of 21 Deaths.

The Boat Tax Revenue decreased by $538.34. The preprinted forms are mailed to all Boat owners, and these may be validated in Concord or at our office. If you come to Kingston, the revenue stays here rather than going to Concord, for the tax portion.

Less dogs were licensed in 1992 - 872 plus 13 groups, compared to 886 and 13 groups in 1991; and 774 and 10 groups in 1990. The total receipts decreased by $1918.00, while the dog fines collected for unlicensed dogs for 1992 were a total of $267.50. In 1993, the Animal Control Officer, Robert Hayes, will be looking for those dogs that have never been licensed. Thanks to Mr. Hayes for his cooperation.About 50 dogs are still not licensed annually by April 30, with a $1.00 per month penalty added after May 31st. Males and Females are $7.00; Neutered Males and Spayed Females are $4.50.

There were 756 Voter Registrations accepted at my office during the year, as well as 98 Party changes and 13 name changes. We work closely with the Supervisors of the Check List.

In 1992 there were four elections: Presidential Primary Feb.18th; Town Meeting Mar. 10; State Primary Sept. 8th; and General Election Nov. 3rd.

There will be one election in 1993 - Town Meeting March 9th. Voting for the past two elections took place in the Rent Room of the First Congregational Church, 6 Church Street. This building is handicapped accessible and the polls are open from 10 A.M. to 8 P.M. Absentee ballots are available for anyone who is physically unable to come to vote, as well as those who are on vacation, working out of town, etc. Call for information (642-3112).

Since January 1, 1990, only the Motor Vehicle Dept. can issue 20 day temporary plates. Our office can still service everyone by issuing renewal decals, new plates (up to 8000#) and transfers. The citizens continue to be appreciative of this service, which we do as an agent for the State of N.H.

I have continued to keep the census figures daily and as of December 31, 1992, the population was 6417 (an incrase of 108 since last year). In order to keep this census on a current basis, I made a total of 1383 entries.

The Property Tax Warrant of $5,845,953.99 shows an increase of $337,399.71. As of December 31st, 86.5% was collected (compared to 84.9% last year) leaving a balance due of $790,331.26. Partial payments are accepted at any time. Also, prepayments for the new year are accepted after April 1st of that year. Thanks to everyone for making the tax payments promptly, as the Town needs this for the daily operation.

This year the 12% interest started on December 19th, and will continue until the taxes go into the Lien Process. The interest then moves to 18% per annum, and the owner has two years to redeem the taxes. Hopefully the economic situation will improve in 1993.

We were unable to get the 1992 tax rate early because of the new Current Use Law, which meant that the Selectmen had to "reconstruct"the whole Current Use file. Once the rate was set by Concord, and it was officially received by my office, the tax bills were processed and in the mail in four days (on November 18th), and they were dated November 18th. The 1 1 /2% discount was in effect for the regular 30 day period.

My thanks and appreciation to all Elected officials, Town employees and all Committee members, especially the following: Ann Sullivan for her splendid cooperation on all tax work; the Selectmen for their continued support; Treasurer Olive Moriarty for her efficiency and cooperation; Moderator Ellie Alessio, as well as all ballot clerks and assistants who help me at all elections; Police Chief Neil R.

Parker and his Dept. for their many services; Building Superintendent, Alan Krauss, for his excellent services; Also, Jim Rankin, Don Eadie and Maria Haydock for their continued professional advice on the computer.

Many thanks again to the Deputy, Holly Ouellette, for her continued total dedication to the Town. Her expertise with the computer system and all the many other office talents are deeply appreciated by me as well as all the citizens. Also, thanks to Eleanor Childs for all her very able assistance in all phases of the "hundreds" of duties.

As Vice-Chairman of the 300th Anniversary Committee, I have been pleased to serve as Souvenir Chairman. Much interest has already been generated for this celebration, and we have made MANY sales of souvenirs. Contact me for further information, or if you wish to volunteer on some committee for 1994.

In March, I will be completing 33 years as Tax Collector and 23 years as Town Clerk. The combined office of Town Clerk-Tax Collector has now been in effect for five years. It has proven to be an efficient combination. I am a Notary Public and Justice of the Peace, serving all departments.

My sincere thanks to ALL residents for their continued cooperation and support. It is helpful to be able to get various messages to you on the Cable Channel #51.

Respectfully submitted,
Bettie C. Ouellette

NOVEMBER 3, 1992

Questions proposed by the 1991 Legislature

2. "Are you in favor of amending the constitution to provide the 12-person juries shall be required in capital cases and in cases in which imprisonment may exceed one year; but that, in civil cases and in cases in which imprisonment may be one year or less, a 6-person jury shall be required?"

This question is submitted to the voters by the 1991 Legislature on votes of 318 to 18 in the House of Representatives and 22 to 1 in the Senate (CACR 11)

YES: 1489 NO: 920

3. "Are you in favor of amending the constitution to provide that the Legislature may delegate regulatory authority to Executive Branch officials, but that any proposed rules may be disapproved by the Legislature or an appropriate legislative committee, as prescribed by the law?"

This question is submitted to the voters by the 1991 Legislature on votes of 331 to 2 in the House of Representatives and 24 to 0 in the Senate. (CACR 12)

YES: 1025 NO: 1250

4. "Are in favor of amending the constitution to allow members of a military reserve or national guard unit occasionally called upon to serve in an emergency to hold the state office of Governor, Senator, Representative, or Executive Councilor?"

This question is submitted to the voters by the 1991 Legislature on votes of 319 to 10 in the House of Representative and 15 to 8 in the Senate. (CACR 7)

YES: 1265 NO: 1110

BETTIE C. OUELLETTE
TOWN CLERK

Town Warrant

and

Town Budget

STATE OF NEW HAMPSHIRE
1993 town warrant

The Polls Will Be Open from 10:00 A.M. TO 8:00 P.M. on March 9, 1993

Voting on Articles 1, 5 and 6 Hereof.

ABSENTTE BALLOTS WILL BE PROCESSED AT 1:30 P.M.

To the Inhabitants of the Town of Kingston in the County of Rockingham in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Rent Room, First Congregational Church in said Kingston on Tuesday, March 9, 1993 at 10:00 A.M. to act upon the following subject:

ARTICLE 1: To elect the following Town Officers: One Selectman for a term of three years; Treasurer; Chief of Police: Two Police Officers: Constable; One Fire Ward for a term of three years; Two Library Trustees for a term of three years; Two Trustees of Trust Funds for a term of three years; Four Municipal Budget Committee members for a term of three years; One Municipal Committee Member for a term of one year.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

ARTICLE 2: On petition of Neil R. Parker and thirty-five (35) other registered voters of the Town of Kingston, to see if the Town would vote to authorize the Board of Selectmen to raise and appropriate the sum of two hundred twenty five thousand dollars ($225,000.00) , a 2/3 bond issue vote, for the purpose of building a Police Station on Tax Map Lot U9-9, and to authorize the Board of Selectmen to issue and negotiate such bonds and to determine the rate of interest thereon, all in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33)..

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of $225,000.00 to be placed in the Police Station Capital Reserve Fund established at the 1985 Annual Town Meeting and name the Selectmen as agents of the Town to expend all funds in such Capital Reserve Fund to carry out the objects designated by the town.

$25,000.00 RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 4: To raise such sums of money as may be neccessary to defray Town charges for the ensuing year and make appropriations of the same.

$2,112,574.00 RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 5: To see if the Town will adopt Amendment No. 1 as proposed by the Kingston Planning Board for the Kingston Zoning Ordinance as follows: to replace Section 6.25 under Article VI Building location and construction with the following:

6.25 Fire Safety Requirements for care facilities in the Town of Kingston.

Any facility that provides care or services as defined in RSA 170-E in the Town of Kingston shall be in compliance with the following safety requirements:

1 - 17 Clients

(1) Shall have operational fire extinguishers located on each floor occupied by children in accordance with the following criteria:

(A) A minimum rating of 2-A per each extinguisher.

(B) Maximum area to be covered by each extinguisher to be less than 3000 Sq. Ft.

(C) Maximum travel distance to an extinguisher to be less than 50 Ft.

(2) Shall have hard wired smoke and/or heat detectors installed with at least 1 operational battery operated smoke detector per floor occupied by children.

(3) Shall meet all current state requirements for licensing including a safety inspection by the Fire Chief or his designee prior to license issue.

(4) Shall be inspected by the Fire Chief or his designee every 3 years in accordance with their licensing requirements.

18 Clients and above

(1) Shall have supervised alarm system capable of notifying the Kingston Fire Dept. in the event of an alarm activation in accordance with N.F.P.A. 101.

(2)Shall have a safety inspection annually.

The fee schedule for all inspections shall be set by the Board of Selectmen.

All existing Care Facilities as defined in RSA 170-E shall have 1 year from the date of enactment of this ordinance to comply with it's requirements.

THE PLANNING BOARD APPROVES THIS AMENDMENT.

Note: Enactment of this code shall elminate the existing Section 6.25.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

ARTICLE 6: To see if the Town will adopt Amendment No. 2 as proposed by the Planning Board for the Kingston Zoning Ordinance as follows: To add the Section C7. Single Bedroom Requirement under the Innovative Zoning Ordinance on Page 57 the folllowing sentence:

Building permits shall not be issued for more than 50% of the units in any development constructed under this ordinance unless and until the units required by this paragraph have been constructed and occupancy permits issued by the Town.

THE PLANNING BOARD APPROVES THIS AMENDMENT.

NOTE: This will make the enforcement of the single bedroom units required under innovative zoning easier for the Town.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

ARTICLE 7: To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow such sums of money in anticipation of the collection of taxes for the current year and, to issue in the name of the Town, negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 8: To see if the Town will vote to authorize the Tax Collector to allow a deduction of 1 1/2 from Town Property Tax when payment is made with in 30 days of billing.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 9: On petition of Neil R. Parker and twenty-four (24) other registered voters of the Town of Kingston, to see if the Town will vote to idemnify and save harmless for loss or damage occurring after said vote, any person employed by it and any member or officer of its governing board, from per-

sonal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgement by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office, as set forth in RSA 31.105 Law of N.H.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 10: On petition of Neil R. Parker and twenty-five (25) other registered voters of the Town of Kingston, to see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal or other givernmental unit or a private source which becomes available during the 1993 calendar year provided that such expenditure be made for purposes for which a Town Meeting may appropriate money and that such expenditure not require the expenditure of other Town funds. Further, that the Board of Selectmen and the Municipal Budget Committee hold a public hearing prior to accepting and spending such money.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of $40,000.00 for the purpose of constructing renovations to Town Buildings to comply with the Americans with Disabilities Act.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of $30,000.00 and to authorize the Board of Selectmen to pay that sum to the Public Service Company of New Hampshire to settle a pending tax abatement case for 1987 taxes.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 13: On petition of Kenneth L. Weyler and twenty-nine (29) other registered voters of the Town of Kingston, to see if the Town will vote to authorize the Board of Selectmen to enter into a lot line adjustment agreement with the abutters to Town property between Church Street and Greenwood Pond; most particularly with Gideon Lodge #84. A recent survey of Town property showed the boundaries of said piece are not clearly defined and the title is cloudy.

ARTICLE 14: On petition of Kenneth L. Weyler and twenty-nine (29) other registered voters of the Town of Kingston, to see if the Town will vote to approve a Payment-In-Lieu-Of-Taxes (PILOT) agreement with the Gideon Lodge #84. As a Masonic Lodge, and part of a charitable institution, Gideon Lodge may be eligible to tax abatement.

The Agreement: Gideon Lodge #84 will lease a portion of its property to the Town of Kingston. The portion to be leased will be on Greeenwood Pond adjacent to the Town property. The purpose is to create a town beach. Gideon Lodge #84 further agrees to pay the first one thousand dollars ($1000.00) annually toward operation of this beach. Said amount to be increased at intervals for inflation as agreed to by the Kingston Selectmen and Gideon Lodge. The Town of Kingston will accept above lease and said dollars as Payment-In-Lieu-Of-Taxes, and will assure that Gideon Lodge and its members are held harmless from any litigation involving each beach.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 15: On petition of Diane Vaillant and twenty-four (24) other registered voters of the Town of Kingston, to see if the Town will vote to not allow any "Adult Bookstore" within five hundred (500) feet of a residence or within one thousand (1000) feet of any school, kindergarten or daycare within the Town of Kingston.,

ARTICLE 16: On petition of Neil R. Parker and twenty four (24) others, to see if the Town will vote

to authorize the Selectmen to accept for Map #U9-9, the lot to be used for a police station, registry deed fees, engineer's cost at the cost of $5,000.00.

NOT RECOMMENDED BY BUDGET COMMITTEE

RTICLE 17: On petition of Neil R. Parker and twenty-four other registered voters of the Town of Kingston, to see if the Town will vote to authorize the Board of Selectmen to raise and appropriate the sum of five thousand dollars ($5,000.00) to continue a comprehensive drug awareness program in both Sanborn Regional High School and Daniel J. Bakie School.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 18: On petition of Neil R. Parker and twenty-seven (27) other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of three thousand dollars ($3000.00) for computer software to be used for Police Department statistics for accidents and report writing.

$2,000.00 RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 19: On petition of the Kingston Solid Waste Task Force and twenty-eight registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of siz thousand three hundred ($6300.00) dollars to sponsor a limited Regional Household Hazardous Waste Collection Day. Said cost to be reduced by any grants that may be available for such a program.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 20: On petition of the Kingston Solid Waste Task Force and twenty-eight registered voters of the Town of Kingston, to see if the Town will vote to consolidate the two reserve funds now presently held by the Town for the future closing of the Landfill into one Capital Reserve Fund to be named "Landfill Closure Fund". Present reserve funds are called "Town" account #29045 and "Landfill Closing" #31549. Both accounts are in the New Hampshire First Savings and Loan.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 21: On petition of the Kingston Solid Waste Task Force and twenty-seven (27) registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of sixty thousand ($60,000) dollars to be placed in the Capital Reserve Account for future Landfill closure.

$31,064.53 RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 22: On peition of Richard D. St. Hilaire and thirty-two (32) other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of forty-five thousand dollars ($45,000) to be placed in the Capital Reserve Fund established at Town Meeting March of 1992 for replacement of a highway dump truck with plows and sanders and to name the Board of Selectmen and Road Agent as agents to expend.

$37.500 RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 23: On petition of the Kingston Fire Wards and thirty four (34) other registered voters of the Town of Kingston, on behalf of the Kingston Fire Department, to see if the Town will vote to raise and appropriate the sum of eight thousand two hundred thirty three dollars and thirty seven cents ($8233.37) to be placed in the Capital Reserve Account for future replacement of the Ambulance. Said sum represents the collected Non-Resident Ambulance fees for 1992.

$8,483.37 RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 24 - On petition of the Kingston Fire Wards and twenty-nine (29) other registered voters of the Town of Kingston, on behalf of the Kingston Fire Department, to see if the Town will vote to raise and appropriate the sum of thirty thousand dollars ($30,000.00) to Lease Purchase a new Ambulance and to authorize the withdrawal of thirty thousand dollars ($30,000) from the Ambulance

Capital Reserve Fund, created for that purpose. Any unspent balance to be returned to the Ambulance Capital Reserve Fund. This sum represents the first of three annual Lease Purchase payments.

NOT RECOMMENDED BY BUDGET COMMITTEEE

ARTICLE 25 - On petition of the Kingston Fire Wards and thirty-three (33) other registered voters of the Town of Kingston, on behalf of the Kingston Fire Department, to see if the Town will vote to raise and appropriate the sum of forty thousand dollars ($40,000.00) to be placed in the Fire Department Capital Reserve Fund for Apparatus Replacement.

$20,000.00 RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 26: On petition of the Kingston Fire Wards and thirty (30) other registered voters of the Town of Kingston, on behalf of the Kingston Fire Department, to see if the Town will vote to raise and appropriate the sum on one thousand seven hundred dollars ($1,700.00) for Workmen's Compensation Supplemental Insurance for the members of the Kingston Fire Department.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 27: On petition of Albert J. Brien and thirty (30) other registered voters of the Town of Kingston, to see if the Town will vote to permit the Trustees of the Nichols Memorial Library (the public library) to apply for, accept and expend without further action by Town Meeting, monies from the state, federal or other governmental unit or a private source which becomes available during the fiscal year.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 28: On peition of Albert J. Brien and thirty (30) othe registered voters of the Town of Kingston, to see if the Town will vote to permit the Trustees of the Nichols Memorial Library (the public library) to retain all monies it receives from its income generating equipment to be used for general repairs and upgrading and for the purchase of books, supplies and income generating equipment.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 29: On petition of Albert J. Brien and thirty (30) other registered voters of the Town of Kingston, to see if the Town will vote to permit the Trustees of Nichols Memorial Library (the public library) to create a trust fund and retain from year to year, all excess funds unexpended from salaries or operating or maintenance at the public library, for the purpose of the maintenance and care of the library. It is asked that the trust fund created be irrevocable.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 30: On petition of Jef Flanders-McDougall and forty-six (46) other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of ten thousand dollars ($10,000.00) to be added to the Nichols Memorial Library Reserve Fund for the future library expansion as created by the 1990 Town Meeting.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 31: On petition of Russel V. Army and twenty seven (27) other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of $15,000.00 to be added to the Capital Reserve Fund established in the 1987 Town Warrant #46, for the purpose of conservation land purchase and associated costs.

$10,000.00 RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 32: On petition of Russell V. Army and twenty-seven (27) other registered voters of the Town of Kingston, to see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the Conservation Fund KCCJRSA 36-A:5 for the purposes of acquiring conservation land or interest in land and other costs associated therewith for perma-

nent conservation use. Target properties are Kingston tax map designations R26-44 and R18-31, 32. Further, that monies from the Capital Reserve Fund for conservation land purchase may be expended for the above stated purpose. Said appropriated or donated funds may be expended by the majority vote of the Kingston Conservation Commission and the Selectmen.

RECOMMENDED BY BUDGET COMMITTE

ARTICLE 33: On petition of the Kingston Recreation Commission and thirty (30) other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate three thousand dollars (#3,000.00) for the 1993 July 4th fireworks display.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 34: To see if the Town will vote to raise and appropriate the sum of $1900 for the purpose of defraying the costs of the Sports Teams Program of the Recreation Commission.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 35: On petition of thirty-eight registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of seven hundred fifty dollars ($750.00) to assist the Greater Haverhill Crisis Pregnancy Center, a non-profit organization, in providing services to over two thousand (2,000) women and their children in this area.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 36: To see if the Town will vote to raise and appropriate the sum of one thousand dollars ($1,000.00) for Cross Roads House, Inc. to be used for the provision of shelter, food and case management services for residents of Kingston and other town in the Seacoast region, assisting them in identifying their needs, setting goals and making referrals to the network of services available to the community.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 37: To see if the Town will vote to accept a gift of land (Tax Map #U4-216 and U4-217) from Grace E. Davis.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 38: To see if the Town will vote to discontinue that part of old Route 1265, a Class VI highway, as shown on plan entitled "Plan of Land in Kingston, New Hampshire, Owned by R & C Realty Trust" prepared by Charles C. Martin Associates, Haverhill, MA, Scale 1" = 80', dated April 1976, recorded at the Rockingham County Registry of Deeds as Plan D-6118 and further to authorize the Board of Selectmen to deed any interest of the Town in said land to the current owners for nominal consideration.

NOT RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 39: To see if the Town will vote to authorize the Board of Selectmen, pursuant to RSA 31:95-e, to accept gifts of personal property, other than money, which may be offered to the Town for an public purpose.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 40: To see if the Town will vote to authorize the Board of Selectmen to sell surplus goods and equipment from various departments at public auction or by sealed bid.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 41: To see if the Town will vote to authorize the Board of Selectmen to sell tax deeded property, except water-front property, at public auction or by sealed bid.

RECOMMENDED BY BUDGET COMMITTEE

ARTICLE 42: To see if the Town will vote to accept a gift of land (Tax Map #U9-9) from Ralph R. Bake. Said land to be returned to Mr. Bake in two years if not utilized by the Town.

ARTICLE 43: To transact any other business that may legally come before meeting.

Given under our hands and seals, this 22nd day of February, in the year of our Lord nineteen hundred and ninety three.

10% LIMITATION OF APPROPRIATIONS
(SEE RSA 32:8, 8-a, & 32:10-b)
Please disclose the following items (to be excluded from the 10% calculation)

$ _____ Recommended Amount of Collective Bargaining Cost Items (RSA 32:8-a).

$ _____ Amount of Mandatory Water & Waste Treatment Facilities. (RSA 32:10-b).

RSA 273-A:1,IV "'Cost Item' means any benefit acquired through collective bargaining whose implementation requires an appropriation by the legislative body of the public employer with which negotiations are being conducted."

HELP! We ask your assistance in the following: If you have a line item of appropriation which is made up of appropriations from more than one (1) warrant article, please use the space below to identify the make-up of the line total. We hope this will expedite the tax rate process by reducing the number of inquiries from this office.
